

November 2020

## HARVESTER HIGHLIGHTS

Despite the covid challenges, the Harvester Center has 18 new tenants this year! October was especially great, with five new businesses as a result of October Women's Small month.

We will soon begin randomly delivering treats to tenants, versus 'coffee and cookies' until it's safe to gather again.

Thank you to those that participated in our survey. Feedback was appreciated.

*If you get a chance, be sure to visit Swoon's exhibition at 612 Northland*
